Return train journey to your home station

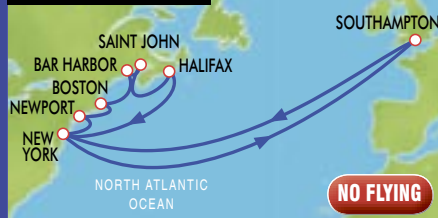

Cruise Saver Travel are one of Cunard's leading agents in the UK. For the third year we are chartering special first class trains to offer our guests the most comfortable and carefree route to Southampton docks.

Cruise Saver staff on the train will arrange for your luggage to be taken from you when you board, and you will not see it again until it is delivered to your stateroom on board the ship. During your journey down, **Cruise Saver** have arranged for check-in staff to pass through the train and complete all the formalities so that on arrival at Southampton docks you may board without delay.

No other agent can offer these exclusive voyage packages travelling by private train, so call our expert cruise consultants today to book your stateroom and seat on the Cruise Saver Express.

Return train journey to your home station

About our FIRST CLASS train

The **Cruise Saver Express** will comprise six first class classic Pullman dining cars, with all guests in reserved seats on tables of two or four. During your journey south you will be served an excellent breakfast and/or lunch depending on your boarding point, with similar catering en route home after your cruise. A cash bar will operate in both directions, and the train will be an excellent opportunity for you to get to know your fellow guests. Cunard representatives will check you in as you travel south so that on arrival at Southampton you may board without delay. Your baggage will be loaded directly from the train onto the ship. There are no restrictions on baggage, and with almost 200 fellow guests on board no risk that the ship will leave without you!
