Cruise Saver Travel can offer you unbeatable fares and benefits on all *Queen Victoria* cruises. From the Mediterranean to the Baltic Capitals and from the Canaries to the Black Sea, there are destinations to suit all tastes. The second largest Cunarder ever built, *Queen Victoria* has been designed with the best British traditions in mind. She has elegant public rooms, many on a grand scale two or three decks in height featuring rich wood panelling, intricate mosaics and gleaming chandeliers. *Queen Victoria* has the first ever theatre at sea with private boxes. She has a Cunard museum with a display of artifacts and memorabilia, and a grand colonial style conservatory complete with retractable glass roof. There is a choice of alternative dining venues, including the luxury of The Todd English Restaurant, the friendly Golden Lion Pub or the casual Lido Restaurant. The larger and more elegant Princess and Queens Grill Suites offer you an array of wonderful privileges and private areas.

If you love to be pampered you will enjoy the spa therapies and beauty treatments in the Cunard Royal Spa and Fitness Centre. For wine enthusiasts there will be wine tasting classes in the Mid-Ships Lounge or you could expand your expertise in the company of an engaging Cunard Insights™ guest speaker. When the weather is warm you will be able to enjoy thousands of square feet of glorious open deck, and a swim in one of two outdoor pools. Each afternoon you can sample Cunard's wonderful 'White Glove' afternoon tea service in the Queen's Room.

The majority of the staterooms aboard *Queen Victoria* have a private balcony and all have 24 hour room service, satellite TV, direct dial telephone, refrigerator, safe, bathrobes, hairdryer and a bottle of wine to enjoy as you sail away.
